

Ash Wednesday Devotion

As you receive the ashes, prepare for family visits, and turn your heart toward God this Lenten season, consider these questions:

What will be the focus of your prayer? What bible verses will you pray over and study? How do you think your prayers will change by Easter?

What does repentance look like? What takes hold of your mind, body, or spirit that is not of Jesus?

Why are you fasting? How are you using your sacrifice to bring glory to God each day?
